**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had service provided by AT&T and the cost, reliability and speed offered as the only available to me was poor to say the least.

I live in a building that is not wired for cable so I had only one other choice to meet my needs which was Sonic internet and home phone service which I have been extremely happy with.

Please don't take away the choice by limiting competition.

James Smith
